# IACTE NEW TEACHER ACADEMY

A partnership of ISBE and IACTE at the 2020 IACTE Conference

Bloomington-Normal Marriott Hotel and Conference Center

February 13-14, 2020

Sessions developed for 1st and 2nd year teachers to help you wrap up the school year with dedicated time to collaborate with other new teachers and get feedback from more experienced CTE Teachers

Registration fee waived for the first 50 1st and 2nd Year Teachers who register for the Academy

## 2020 Session Topics

### Engaging Instruction

- Technology for Teachers
- Instructional Strategies
- Inquiry-Based Learning
- Lab/Learning Environment Management
- Integration of Core Academic Standards

### Effective Teachers

- CTE Teacher Time Management (So you can have a personal life)
- Teacher Evaluation and Professional Learning Plans
- Improving Your Curriculum Planning/Development
- Classroom and Behavior Management

### Career and Technical Education Specialization

- Funding Your Program
- IEPs/504 and the CTE Classroom and Laboratory
- Care and Feeding of the Career and Tech Ed Student Organization
- What is Perkins V and how do I develop the required programs of study?
- Developing and Working with your Advisory Committee

### Optional Curriculum Workshop Time

Collaborate with other CTE teachers from your Career Cluster, bring curriculum you would like to improve or develop outlines for new curriculum. Experienced CTE teachers will be available to provide feedback and help you come up with ideas for content, instructional strategies, integration of standards, and meeting the needs of all students.

### CTE Mentoring Session

Time to talk to experienced CTE teachers from your Career Cluster
