New CTE Teacher Academy Agenda
July 28 – 29, 2022

Thursday, July 28

1:00 - 1:15 p.m. Registration

1:15 – 3:15 p.m. Lesson Plan Development & Teaching Methods

*Dr. Chris Merrill, Illinois State University*

What are you going to teach? How are you going to teach it? Work with Dr. Chris Merrill from Illinois State University to answer those questions and much more! This session meets Professional Learning Standards: Learning Designs, Implementation.

3:30 - 5:30 p.m. Teaching All Students

*Julia Oglesby, WILCO Area Career Center*

Good teachers teach to all students in their class. Teachers know how to prepare better when they have an understanding of students with special needs and of the different types of diversity in their student body. This session will focus on types of diverse learners as well as on diverse strategies to work with them in the classroom and virtually. This session meets Professional Learning Standards: Learning Designs, Learning Communities.

Dinner on Your Own

Friday, July 29

7:30 – 8:00 a.m. Breakfast

8:00 - 9:30 a.m. Classroom and Behavior Management

*Tammi Conn, Valley View School District*

When it comes to ‘Classroom Management,’ a good offense is the best defense. . . . During this two-hour session, we will look at who our students are (Millennials), setting and following expectations and best practice for engaging students in the curriculum. We will use the information shared to begin planning your first week of school. This session meets Professional Learning Standards: Learning Designs, Learning Communities.
9:45 – 10:15 a.m.  Introduction to Student Organizations (CTSO)

Panel

Learn how to help students become academically prepared, community oriented, professionally responsible, and experienced leaders through student organizations. Benefits of student organizations will be shared. This session meets Professional Learning Standards: Resources, Learning Communities.

10:30 a.m. – 11:30 a.m.  Laboratory Management

Participants will be divided into rooms by teacher area. An experienced teacher will host each room and provide more specifics about the laboratory setting. This session meets Professional Learning Standards: Data, Learning Designs.

11:30 a.m. – 12:15 p.m.  Lunch

12:15 p.m. – 1:15 p.m.  Resources

Is your toolbox missing some tools to assist you in your classroom this fall? Let's explore how to access free lessons; website resources and other tools activities that you can also add to your toolbox.

1:30 – 2:15 p.m.  Professionalism, Conference Evaluations, Book Study, Lead Teachers, Thoughts, Questions, & Comments

ISBE Evaluations must be completed and turned in and an online academy evaluation must be completed. Thoughtful reflection on what was learned today and how it can be implemented will take place. Evidence of Completion forms will be mailed once these forms are received. Forms can be emailed to info@iacte.org.
